Dear Louise, Howard and everyone in the Shop Agents Society,

I am writing to thank you for raising an incredible £2,000 for The Brain Tumour Charity at your Christmas celebrations. It was such an honour to be able to join you and meet so many of you.

Your support will make a life-changing difference. All the money you've raised will be directly invested into the PNET5 trial; £2,000 could fund biomarker testing for one child diagnosed with a medulloblastoma, potentially resulting in safer treatments and a better quality of life.

The Brain Tumour Charity is at the forefront of the fight to defeat brain tumours, making a difference every day to the lives of people with a brain tumour and their families. We fund pioneering research to increase survival, raise awareness of the symptoms and effects of brain tumours and provide support for everyone affected to improve quality of life. We rely 100% on voluntary donations so every penny of your kind donation really does make a difference.

As you know, we are committed to having the biggest possible impact for everyone affected by a brain tumour. Our vision is for a world where brain tumours are defeated, and you are helping us get a lot closer to achieving this vision. Your commitment to making a difference is greatly valued by all the team here at The Brain Tumour Charity, the Trustees and, of course, all of those affected by brain tumours.

Thank you for bringing us closer to a future with a cure. Together, we will defeat brain tumours.

Yours sincerely

Katie Mosses
