and action throughout the Shop Agents Society

### **SAS App – How to Guide:**

1. Using a QR Reader, scan the QR code on the SAS Christmas Brochure, also appearing below. Proceed to click on the box that says “Browse Website” or “Open Browser” once the QR code has been recognized.
2. This will direct you to the SAS Directory App site: <https://shopagentsociety.app>  
Alternatively, please type this address into your browser.
3. Click the Login button. Click the Forgot Password button. Fill in the box requesting your email address with the one you have registered for your membership and click the Forgot button.
4. You will receive an email which will help you to set up a password.

The SAS App is a fully searchable members directory that is constantly updated, which will allow you to contact other SAS members either over the phone or by email directly from your phone, tablet or computer (on devices that have been enabled for those purposes).

Members can be searched by name, company and location.
