

# The Big One!

**Tickets are now available...**

**Friday 21st June 2019**

Alex Hobbs, son of David Hobbs (Partner at MMX Retail), was diagnosed with a Medulloblastoma (a type of brain tumour) in September 2017, aged just three and a half years old.

Over the past 18 months the team at MMX Retail have been raising money for PNET5, a new pioneering treatment that Alex has undertaken. The team has run 5km, a half marathon, the Moon Walk, walked the height of everest, organised a race night to name a few. This has enabled us to raise close to £20,000 for this amazing charity.

So what's 'The Big One', this is the final part of our fundraising efforts.

On **Friday 21st June**, we are donning our sneakers and heading through the sites of London to complete a **marathon distance walk** of 26 miles in aid of PNET5 and we would love for you to join us. The more people we have, the more money we raise. We will be finishing with a small rehydration party to aid recovery!

Please click on the logo below for more information about the day and how to enter.

Sponsorship opportunities are still available, please contact Harriet in the first instance for further details - [harrietwatson@mmxretail.co.uk](mailto:harrietwatson@mmxretail.co.uk)
